REPORT AND RECOMMENDATION

TO THE HONORABLE ARIZONA TRANSPORTATION BOARD:

The Intermodal Transportation Division has made a thorough investigation concerning the abandonment of a portion of right of way acquired for State Route 87 within the above referenced project.

This portion was previously established by Arizona Highway Commission Resolution dated September 9, 1927, page 26 of the Official Minutes as a state route; Resolution dated June 18, 1934, page 694 of the Official Minutes, established it as a state highway; Arizona Transportation Board Resolution 75-21-A-89 dated December 19, 1975 and 84-09-A-055 dated September 24, 1984 established additional right of way; Thereafter, various Resolutions established additional right of way for widening improvements.

A portion of the previously acquired right of way is no longer needed for state transportation purposes. The City of Chandler has agreed to accept jurisdiction of the right of way. Accordingly, I recommend that the State's interest in the portion of right of way be abandoned.

The portion of right of way to be abandoned is depicted in Appendix "A" and delineated on the maps and plans on file in the office of the State Engineer, Intermodal Transportation Division, Phoenix, Arizona, entitled "Right of Way Plans, JCT. I-10 - MESA Highway, Project F-045-1-809 / 087MA162H272801R."

I further recommend that the portion of right of way depicted in Appendix "A" be removed from the State Highway System and abandoned to the City of Chandler.
